Dear Parent/Carer

“Help your child through their revision” Session – Thursday 21st March 2019

Year 11 is a busy year for students as they approach the end of their secondary education. We are aware that you may want some clear and practical advice on how to help your son/daughter meet the demands of the year ahead so they can achieve the best grades possible in their exams. To help us all work together on this, we would like to invite you to our “Help your child through their revision” Session on Thursday 21st March 2019, from 6.00pm – 7.00pm, where we hope to give you lots of information and answer any questions you may have. **Parents/carers and students are invited to attend together.**

The evening will offer a variety of study support and information such as:

- revision and exam techniques
- revision clubs
- key dates and deadlines

The sessions will be delivered by either Mr Hemmings, Mrs Adrio or Mr Khan and will provide practical methods to help your child through their revision. Please note not every subject teacher will be there but it is a great opportunity to ask any questions that you may have to the Key Stage 4 team.

We really hope that you will be able to attend this session, and that together, we will be able to help your child fully prepare for their exams which will have a positive impact on their attainment.

Please could you sign and return the attached reply slip to Mrs Butler in the Curriculum Office by **Monday 11th March 2019**. If you have any questions please do not hesitate to contact us or email adrioe@wardleacademy.co.uk.

Yours faithfully
