5
2.1%

This report should be read in conjunction with the main **Moving On Report** and the spreadsheet of leavers.

The data is based on a survey conducted as on 31st October and as such it provides a snapshot of activity at a particular point in the young person's post school careers.

This report was produced from data collected and processed by the Positive Steps Business Intelligence Team.

We would like to thank all the training providers, schools, colleges, employers, Career Advisers, young people and parents who have contributed to providing the information that is contained in this report.
